

## KRONOTEX Exquisit High Performance German Laminate

### The Best Selection. Timeless Companion.

The plank floor – a real classic that simply never loses its appeal.

With our EXQUISIT collection, you can bring this charm into your own home – coupled with the numerous advantages of a modern and high-quality laminate flooring.

### KRONOTEX EXQUISIT BY SWISS KRONO GROUP

EXQUISIT radiates coziness every day with the naturalness and appearance of solid wood. Thanks to the embossed grain, the floor is an elegant and authentic experience, both visually and haptically. Last but not least, the milled V-groove underlines the natural impression and creates a look that resembles that of a good old plank floor.

### KRONOTEX EXQUISIT *Plus* BY SWISS KRONO GROUP

Perfection in panel form: With the EXQUISIT PLUS collection, you can easily create a feel-good atmosphere. The extra wide panels in various natural wood looks invite you to create an ambience of elegance and generosity. Feel the combination of warmth and nature – noble and high-quality, furnished with embossed grain and a matt shimmer. The precisely milled V-groove completes the convincing appearance, as you would expect from a plank floor. That is the perfection you dream of.
